

## **CITY OF TAYLOR NOTICE**

The City of Taylor is developing a substantial amendment to its 2008-09 Housing and Community Development Annual Action Plan to include a new Community Development Block Grant allocation of \$135,447 (CDBG-R) under the American Recovery & Reinvestment Act of 2009 (ARRA).

The substantial amendment proposes to use the CDBG-R funding to meet the ARRA objective of modernizing the nation's infrastructure by financing the following street resurfacing project: Full width milling of existing roadway, placement of 2-inch 13A bituminous wearing course from and including Superior Road south to dead end and/or Eureka Road right-of-way for Westpoint, Cornell, Syracuse and Pine. Also Mercier, Chestnut and Superior from Telegraph Road right-of way east to dead end.

Up to \$88,541 in CDBG funding from 2009-10 award and \$39,445 funding from Act 51 Local Roads may also be allocated to adequately fund this project.

A draft of the proposed CDBG-R Substantial Amendment can be reviewed at the Taylor Community Development Department, 23555 Goddard Road, Taylor, MI 48180. Written comments regarding the plan will be received by the Department at the address above through May 30, 2009 at 4:00 p.m.

Individuals with disabilities who require special accommodations, auxiliary aids or services to respond to this notice should contact (734) 374-1352.
